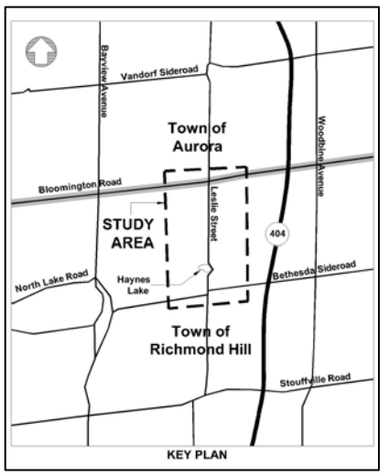
The Regional Municipality of York

NOTICE OF COMPLETION

CLASS ENVIRONMENTAL ASSESSMENT
ROAD PROJECT
Town of Aurora and Town of Richmond Hill

The Regional Municipality of York has completed a Class Environmental Assessment for improvements to Leslie Street between Bethesda Sideroad and Bloomington Road.



KEY PLAN

The study has been conducted in accordance with **Schedule C** *of the Municipal Class Environmental Assessment* (October 2000, as amended in 2007) under the *Ontario Environmental Assessment Act*.

Subject to the comments received as a result of this notice and the receipt of other approvals as necessary, The Regional Municipality of York intends to proceed with the detailed design and construction of this project.

The purpose of this project is to address significant grade changes and flooding in the area of Haynes Lake on Leslie Street. Proposed improvements include raising the profile of the road in the Haynes Lake area and providing wildlife passage.

A **Schedule C** Environmental Study Report has been prepared for this project. The Report describes the problem, the assessment of alternatives and the preferred solution, as well as the public and agency consultation program conducted during the study.

This notice places the Environmental Study Report on public record for review and is available at the following locations during normal business hours:

The Regional Municipality of York **Clerk's Department** 17250 Yonge Street Newmarket	
Town of Aurora **Clerk's Department** 1 Municipal Drive, Aurora	**Aurora Public Library** 15145 Yonge Street Aurora
Town of Richmond Hill **Clerk's Department** 225 East Beaver Creek Road Richmond Hill	**Oak Ridges Moraine Library** 13085 Yonge Street Richmond Hill

The 30-day public review period will begin on November 20th, 2008. Those interested may provide written comments to the Region representative listed below within the review period.

Mark Nykoluk, P.Eng.
Project Manager, Roads Branch
The Regional Municipality of York
