

You must complete this section as part of your application.

Applicant(s) Name:

Client #: _____ Do you require parking? Yes No

Note to Applicants: Beginning January 1, 2021, applicants on the subsidized housing wait list will receive ONE offer of housing. If you do not accept your first offer of housing, your application will be cancelled. We recommend you make your building selections carefully. For more information on our housing sites, please visit york.ca/housing

Once you have accepted a subsidized unit, your name will be removed from the centralized waiting list.

HOW TO COMPLETE THIS FORM

Step 1: Review the map on the next page to help you determine the area of York Region you would like to live in:

- South – (Markham, Richmond Hill, Vaughan)
- Central – (Aurora, East Gwillimbury, King, Newmarket, Whitchurch-Stouffville)
- North – (Georgina)

Step 2: Select the building(s) in your preferred location(s). You can choose buildings according to bedroom size, building type (apartment, townhouse) and household type (family, senior, all) and will be offered the next suitable unit. If you have selected a building that has both apartments and townhouses, we cannot guarantee which type of unit you will be offered. **Please note that we are not able to accommodate for preferences such as balcony, floor level or parking garage.**

The form also tells you if elevators are available in the building and if the building is smoke-free. Pages two and three provide an explanation of the symbols and terms used in this form.

Example: To select a building, check the selection box in the far left column.

<input checked="" type="checkbox"/>	Building Name	Street Address	Smoke-Free Building	Bedroom Size(s)	Total Number of Units	Building Type	Household Type	Provider Type		Elevator
MARKHAM – FAMILIES AND SINGLES										
<input checked="" type="checkbox"/>	Hagerman Corners	4460 14th Ave., Markham		1, 2, 3	81	Apt	All	NP	1	

In the example above, **Hagerman Corners** has been selected.

Bedroom sizes [in building complex]:	1, 2 and 3 bedroom	Elevator:	Yes
Total # of units in the complex:	81	Smoke-free:	Yes

YORK REGION MAP

-  South – (Markham, Richmond Hill, Vaughan)
-  Central – (Aurora, East Gwillimbury, King, Newmarket, Whitchurch-Stouffville)
-  North – (Georgina)

Here are the symbols and terms we use on the form:

SYMBOLS	
	This symbol means elevators are located in the building. In cases where there are both townhouses and apartments, the elevator is located in the apartment building.
	This symbol means the building has one or more wheelchair accessible units. Visit our website at york.ca/housing to view our detailed inventory of wheelchair accessible units.
	This symbol means that new tenants cannot smoke inside their units or in the building.

HOUSEHOLD TYPE	
All	Households are available for singles, families and seniors.
Family	One or more adults and their dependents (children) can live in the household. Seniors can also apply to live in these dwellings.
Seniors	To be eligible for seniors housing, all members of the household must be 60 years of age or older.

PROVIDER TYPE		
Co-op = Co-operative	NP = Non-profit	HYI = Housing York Inc.

BUILDING TYPE	
Apt = Apartment	TH = Townhouse

ADDITIONAL INFORMATION	
Bedroom Eligibility	The Housing Access office will determine what size(s) of unit you qualify for based on the number of members in your household.
"B"	"B" means Bachelor unit (see Bedroom Size column).
Rent Supplement (RS) Units	York Region negotiates agreements with various landlords and gives the landlord the difference between the subsidized amount you pay and the market rent for the unit. These locations change; therefore, we do not list the addresses where the buildings are located. You only need to select the municipality. You will be informed of the address only when you are being offered a vacant unit. If you accept an RS unit your name will be removed from the waiting list in the same way it would if you were housed in any other subsidized unit in York Region.
Affordable Housing (AH) Units	These are buildings that have a different funding model. Rent assistance (subsidy) is available for some units in each of these buildings.
Total Units	The total number of units in the building includes market units as well as subsidized units. Households wanting market units should contact the housing provider directly.
! Note	All apartment buildings meet AODA accessibility requirements to access the building from the outside.
