If yes, was the issue referred to the regulatory college?	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
Were any corrective measures recommended and/or implemented?	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	

Please provide further details/steps

Corrective measures for Premises/Facility:

- Clean and disinfect non-critical equipment/devices that may come into contact with non-intact skin or penetrate the skin according to "PIDAC Guide to Infection Prevention and Control in Personal Service Settings, 3rd Edition, July 2019".
- Use disinfectants for reprocessing of reusable equipment/devices that have an expiry date, a Drug Identification Number, Natural Product Number, and/or Class 2 Device License with Health Canada (with exception of Chlorine Bleach).

Date any order(s) or directive(s) were issued to the owner/operator (if applicable) (yyyy/mm/dd)

2023/12/19

Initial Report Comments:

Written order was issued on December 19, 2023, ordering operator to correct conditions related to hairdressing/barbering services, in follow-up to directions provided to operator on December 12, 2023. The operator demonstrated the corrective measures and was permitted to continue hairdressing/barbering services.
