

LONG-TERM CARE ACCOMMODATION COSTS

Due to the COVID-19 outbreak, the annual long-term care home resident co-payment rate increase will be suspended until October 1, 2022. The current accommodation rates still apply.

Long-term care accommodation costs are set by the Ministry of Long-Term Care and are standard in all long-term care homes across Ontario. The current (maximum) rates are:

ACCOMMODATION RATES (JULY 1, 2019)

Type of accommodation	Daily rate	Monthly rate
Long-stay Basic ¹	\$62.18 ^(a)	\$1,891.31 ^(b)
Long-stay Private ²	\$88.82 (Basic plus a maximum of \$26.64)	\$2,701.61
Short-stay	\$40.24	N/A

Notes:

- Effective from July 1, 2019, the basic accommodation rate is determined using the following formula:
 - 2018 basic accommodation rate \times (1 + CPI Rate) = 2019 co-payment rate.
[i.e., $\$60.78 \times (1+1.2.3\%) = \62.18]
 - The monthly rate is determined by multiplying the daily rate by 30.4167.
[i.e., $\$62.18 \times 30.4167 = \$1,891.31$]
- The maximum rate for semi-private or private accommodation in some long-term care homes can be less depending on the age and structure of the long-term care home.
