

# HOW TO USE HAND SANITIZER

**1** Apply enough to cover both hands

**2** Rub hands and around all fingers

**3** Rub hands until dry (minimum 15 seconds)

## Important Tips:

- To ensure proper hand hygiene, remove hand and wrist jewellery
- Use hand sanitizer if hands are not visibly dirty
- Use an alcohol-based hand sanitizer that has 70-90% alcohol with a Natural Product Number (NPN)
- Do not apply hand sanitizer near an open flame
