Adult DAY PROGRAMS

Our Adult Day Programs provide a variety of mentally and physically stimulating activities in a secure environment. They give participants an opportunity to socialize and offer caregivers support and respite. Trained, professional program staff work closely with our clients and their families to ensure the goals of the Adult Day Programs are met.

Virtual programming is available daily from Monday to Friday on the online platform, Zoom. Weekly activity and resources are sent to clients via email that include a variety of activities such as online exercise videos, music and trivia.

Our primary goal is to protect our clients and program staff while providing fun, stimulating and safe activities and programming. We continue to implement infection prevention and control measures in accordance with guidelines from the Ministry of Health and York Region Public Health.

OUR ADULT DAY PROGRAMS

- Provide daily activities and exercises to meet our clients physical, social, intellectual, emotional and spiritual needs
- Use individualized client care plans
- Have an accessible and secure outdoor area for our clients to enjoy
- Are listed on a monthly calendar that highlight special events and theme days throughout the year

MEALS

A nutritious lunch and morning and afternoon snack are served daily.

TRANSPORTATION

Families are encouraged to drop off and pick up their loved ones or arrange transportation with York Region Transit Mobility Plus (YRT). Our program staff can provide you with the Mobility Plus application or you can download it from vrt.ca

FEES

Each program has a daily fee for service. Subsidies are available for gualified participants upon intake to the program.
