Lois, I don't know what we can do about this (repeated applications) but please place it on the agenda at our next meeting of the York Region AAC and I will address it.

Thank you so much Wilf for all your work regarding the Durham transfer. I guess Durham will know how much the fare will be from here to Beaverton. I am waiting for my application to be filled out from my family dr. I think it's crazy that I need applications filled out by Toronto wheel trans and Mobility plus for York Region and now for Durham transit. It will be awhile before I can use the transfer point because after my application is ready from my g.p. then I have to mail it to Durham and wait their approval to use the service. The main thing is that I can travel to Durham!

I also asked Sharon if they could put the news of a transfer at MacDonalds in the Mobility Plus newsletter unless Durham doesn't want too many people to know of the transfer.

Take care Wilf, and again many thanks for your work.
