

THE REGIONAL MUNICIPALITY OF YORK
NOTICE OF PUBLIC CONSULTATION CENTRE
CLASS ENVIRONMENTAL ASSESSMENT STUDY
KEELE STREET (Y.R. 6)
From Steeles Avenue West to Rutherford Road (Y.R. 73)
In the City of Vaughan

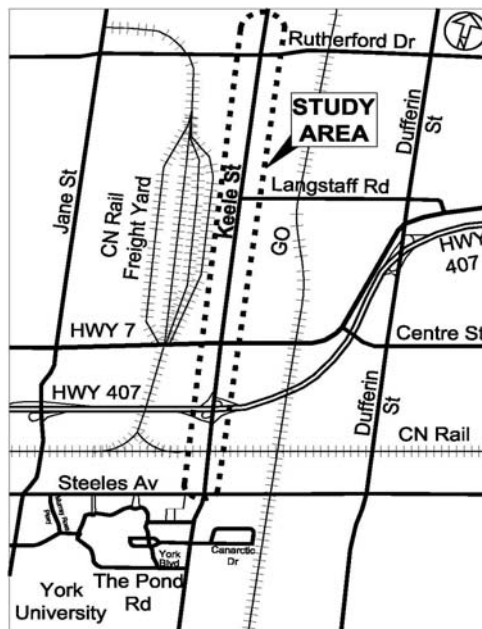

The Study

The Regional Municipality of York is carrying out a Class Environmental Assessment (Class EA) study to determine existing and future road needs and improvements on Keele Street (Y.R. 6) from Steeles Avenue West to Rutherford Road (Y.R.73) in the City of Vaughan.

The south boundary of the study area has been revised to Steeles Avenue West from York Boulevard.

The Process

The study is being conducted in accordance with the "Schedule C" requirements of the Municipal Engineers Association Class Environmental Assessment document (June 2000 as amended in 2007), which is approved under the *Ontario Environmental Assessment Act*. The Class EA process includes public and review agency consultation, assessment of ways of solving the problem, assessment of the potential effects on the social and natural environment(s), and identification of reasonable measures to mitigate potential adverse effects.

How to get involved?

Members of the public are invited to submit comments throughout this project. The second Public Consultation Centre has been planned, and will provide an opportunity to meet representatives from York Region and project team members to discuss the project.

The Public Consultation Centre will be held on:

Date: Wednesday, May 4, 2011
Time: 5:00 p.m. to 9:00 p.m. – Presentation at 7:00 p.m.
Location: Fontana Gardens, 7400 Keele Street, Concord
York Region Project Nos.: 9677, 8412 & 8563

The purpose of this meeting is to provide information about the project, identify the alternative design options considered and evaluated, and present the recommended plan. The project schedule and the next steps will also be presented.

If you have any questions or comments about the study, require any additional information, would like to be placed on the project contact list, or would like to learn more about the EA process please contact:
