

BEFORE you swim ... look for the sign

Red Sign

UNSAFE to swim

York Region Health Services advises that you **do not** go into the water when you see this sign.

For more information please call York Region Health Services Health Connection at 1-800-361-5653.

Blue Sign

SAFE to swim, unless there has been a heavy rainfall within the last 48 hours.

York Region Health Services advises that you **do not** go into the water if it has rained heavily at the beach site within the last 48 hours.
