

Appendix D: Town of East Gwillimbury Policy Tables

Land Use and Development Policies

Document	Policy Statement
OP, Section 8.0, Transportation Policies, 8.2 Roads Classification, Function and Design Requirements	8.2 (ii) Local roads, walkways and bicycle paths shall be permitted without requiring a separate designation on Schedule C, in accordance with all other relevant provisions of this Plan.

Bicycle and Trail Networks Policies

Document	Policy Statement
OP, Section 8.0, Transportation Policies, 8.5 Trails System	8.5 (i) The Town will encourage the development of a trails system for pedestrian and bicycle traffic that links the open space system with the urban areas. The Town will attempt to utilize abandoned railway lines, unopened municipal road allowances, easements and other means where available to provide for these trails.
OP, Section 8.0, Transportation Policies, 8.5 Trails System	8.5 (ii) Within urban areas, consideration should be given to the following in designing and developing a trails system: <ul style="list-style-type: none"> a) grade separations at appropriate points in the transportation system; b) design measures such as signage, separate bicycle lanes and special catch basin covers; and, c) additional road rights-of-way widths.
OP, Section 8.0, Transportation Policies, 8.5 Trails System	8.5 (iii) Within open space areas, the Natural Heritage System and rural areas, consideration should be given to the following in designing and developing a trail system: <ul style="list-style-type: none"> a) impact on natural features (i.e. flora and fauna); b) impact on adjacent land uses; c) design measures to accommodate multiple user types; and, d) the policies of Section 5, Natural Heritage System, where applicable.
OP, Section 8.0, Transportation Policies, 8.5 Trails System	8.5 (iv) Constructed trails and bicycle paths will be provided for as part of the parkland and dedication required in the development process.
OP, Section 8.0, Transportation Policies, 8.5 Trails System	8.5 (v) Notwithstanding the foregoing, the development of any trails in the Oak Ridges Moraine shall be carried out in conformity with the policies of Section 3.6 of this Plan and the relevant land use designation. In addition, the Town shall encourage the linkage of any trails in the Town to the main recreational trail system which is to be established throughout the Oak Ridges Moraine Plan Area.
