For the 2011/12 school year, all secondary schools in York Region are eligible to apply for a \$500 health promotion grant per school. This grant supports healthy schools initiatives that are student-led and utilize a comprehensive school health approach.

2. Refer to your existing healthy schools committee members or identify teacher(s), and student(s) who are interested in this opportunity.
3. To apply, please complete and submit the [registration](#) by Oct 14, 2011. The registration may be completed by teachers.
