

HEALTHY SCHOOLS, HEALTHY KIDS!

Commitment Form

School: ***As School Administrator I agree to:***

- Encourage commitment towards the Healthy Schools approach from members of the school community
- Support the establishment of the Healthy School Committee comprised of teachers, administrators, other school staff, parents, students and community partners
- Support the Action Plan and activities of the Healthy School Committee
- Incorporate Healthy Schools into our school plan
- Monitor progress on the Action Plan and celebrate our school's successes

Please check as many of the following as best describes your anticipated commitment:

- attend and participate at all meetings
- be involved with planning
- receive minutes by email
- attend some meetings
- delegate another staff member for this initiative
- _____

Administrator: _____ Date: _____

As the Healthy School Champion/Lead, I will work with the Healthy School Committee to:

- Establish roles and responsibilities for effective committee functioning
- Identify strengths and needs of the school through a formal or informal survey of students/families and school staff and identify priority areas
- Develop and carry out the Action Plan
- Evaluate and celebrate our achievements
