Dear Sir:

**RE: DURHAM/YORK RESIDUAL WASTE ENVIRONMENT ASSESSMENT
STUDY – SITE SELECTION PROCESS
FILE NO. : E01.EN**

At a meeting held on December 10, 2007, the Council of the Municipality of Clarington passed the following resolution:

“THAT the Addendum to Report PSD-141-07 and Report PSD-141-07 be received;

THAT the entire Report PSD-141-07 be attached to the entire Addendum Report PSD-141-07;

THAT, except for staff recommendations – Items 5 and 6 found on page 1 of the Addendum Report PSD-141-07, the entire Addendum to Report PSD-141-07, the entire Report PSD-141-07, and this motion as Council's decision be adopted as The Municipality of Clarington's comments on Step 7 – Durham/York Residual Waste Environmental Assessment Study – Site Selection Process;

THAT the Regions of Durham and York be requested to respond to and address, early in 2008, the issues identified by the peer review consultants that are necessary for the submission of the EA documentation to the Ministry of the Environment;

THAT the Regions of Durham and York commit to including in the Request for Proposals and Certificate of Approval, Maximum Achievable Control Technology (MACT) for the emission standards and monitoring that the EFW facility will meet;

CORPORATION OF THE MUNICIPALITY OF CLARINGTON
