

The Regional Municipality of York

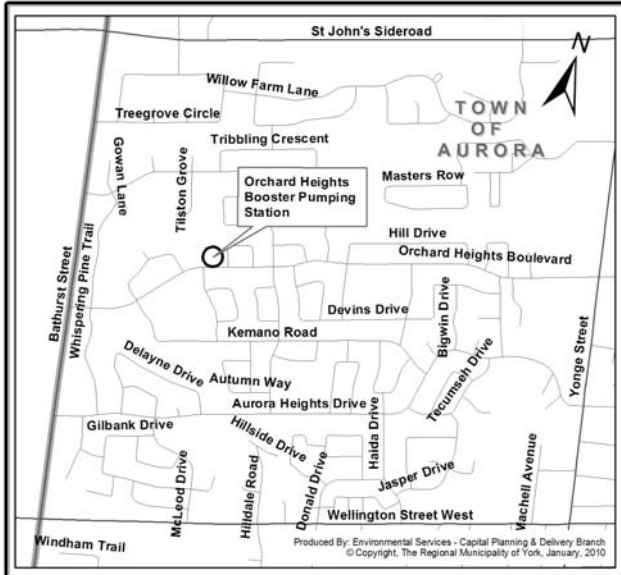

NOTICE OF COMPLETION

CLASS ENVIRONMENTAL ASSESSMENT STUDY

ORCHARD HEIGHTS BOOSTER PUMPING STATION

Town of Aurora

The Regional Municipality of York (York Region) has completed a Class Environmental Assessment (Class EA) study for the Orchard Heights Booster Pumping Station, located on Orchard Heights Boulevard in the Town of Aurora (see attached key map). The study has been conducted under **Schedule B** of the Municipal Class Environmental Assessment (October 2000, as amended in October 2007).

The purpose of this project is to determine the preferred option to increase the existing pumping capacity of the Orchard Heights Booster Pumping Station to meet the growing needs of residents and businesses and to accommodate project growth in York Region.

Subject to the comments received as a result of this Notice and the receipt of other approvals as necessary, York Region intends to proceed with the detailed design and construction of this project.

A **Project File** has been prepared for this project. The Project File describes the problem, the assessment of alternatives and the preferred solution, as well as the public and agency consultation program conducted during the Class EA study.

This Notice places the Project File on public record for review.. The Project File is available for public review at the following locations during regular business hours: (Monday to Friday, 8:30 a.m. to 4:30 p.m.)
