<b>Introduction</b>	I:1
York Region Community and Health Services Department – Health Connection.....	I:2
<b>Chapter 1. Health records for children and staff</b>	
Introduction to health records for children and staff .....	1:1
Tips for success .....	1:1
A health history is helpful .....	1:2
• Immunization information.....	1:2,3
Immunization record.....	1:4
Medication and treatment .....	1:5
• Helpful hints .....	1:6
Scheduled medication and treatment record (sample form).....	1:6A
Being prepared for an emergency.....	1:7
Emergency information and health history form (sample form).....	1:7A
Consent to obtain emergency medical care on behalf of the child (sample form).....	1:7B
Medication and/or treatment record for emergencies or special circumstances (sample form).....	1:7C
Staff health records .....	1:8
• Staff immunization .....	1:8
• TB screening.....	1:8
• Staff health .....	1:8, 9
Health assessment for childcare staff and volunteers (sample form).....	1:9A
<b>Chapter 2. Preventing the spread of infection</b>	
Introduction to preventing the spread of infection .....	2:1
Tips for success .....	2:2
Handwashing.....	2:3
• Handwashing procedure .....	2:3,4
Changing diapers.....	2:5
• Change area set-up.....	2:5
• Disposable diaper change procedure.....	2:6
• Cloth diapers.....	2:7
• Cloth diaper change procedure.....	2:8
Keeping your centre clean .....	2:9
• Cleaning and disinfecting surfaces.....	2:9, 10
• How to make a bleach solution at the proper concentration.....	2:11
• Disinfecting tips.....	2:12
Potty chairs and toilet seat inserts .....	2:13
• Instructions for potty chair use.....	2:13
• Toilet seat inserts .....	2:14

Toiletry and personal items.....	2:15
Cribs, crib mattresses, sleeping cots and mats.....	2:16
Sensory play tables.....	2:17
Pets .....	2:18
• Rabies .....	2:19
• Petting zoos.....	2:20

### **Chapter 3. Illness in your centre**

Introduction to illness in your centre .....	3:1
Tips for success .....	3:1
Signs of physical illness.....	3:2, 3
• Diarrhea .....	3:3, 4
• Vomiting.....	3:5
• Fever .....	3:6, 7
• How to take a temperature.....	3:7
• Thermometer care.....	3:8
• Rashes .....	3:9
Enteric outbreaks.....	3:10
• How to know when there is an outbreak.....	3:10
Influenza pandemic.....	3:11
• Influenza symptoms.....	3:11
Preparing for an emergency including a pandemic .....	3:12
• Personal emergency kit.....	3:12
• Pandemic planning .....	3:12
HIV/AIDS, Hepatitis B, Hepatitis C.....	3:13
• HIV, Hepatitis B and Hepatitis C similarities and differences .....	3:14
• Exposure to blood borne infections: occupational risks .....	3:15
• Potential occupational risk .....	3:16

### **Chapter 4. Creating a safe environment indoors and outdoors**

Introduction to creating a safe environment indoors and outdoors .....	4:1
Tips for success .....	4:1
Child care centre safety check .....	4:2
A smoke free environment.....	4:3
Indoor air quality and mould.....	4:4
• Mould.....	4:4
• Can mould affect the health of children .....	4:5
• What are the most common symptoms? .....	4:5
Protection from air pollution.....	4:6
• Air pollution harms our health .....	4:6
• How air pollution levels are monitored.....	4:7, 8
Sun safety .....	4:9, 10
Safe water.....	4:11
• Drinking water supply .....	4:11, 12
• Bathing beaches.....	4:13
• Pesticides .....	4:14

Protecting children against West Nile virus .....	4:15
• West Nile virus .....	4:15
• Preventing mosquito bites .....	4:16, 17
Car seat safety .....	4:18
• Some tips for helping ensure that children are riding safely.....	4:18
Booster seat safety.....	4:19
• Tips for booster seat use .....	4:19
Pedestrian and sidewalk safety .....	4:20
• Facts to consider .....	4:20
• How to prevent injuries .....	4:20
Cycling safety.....	4:21
• Facts to consider .....	4:21
• How to prevent injuries .....	4:21, 22
Playground safety.....	4:23
• Facts to consider .....	4:23
• Spotting the hazards.....	4:23, 24

## **Chapter 5. First aid and emergency**

Introduction to first aid and emergency .....	5:1
Tips for success .....	5:1, 2
Policies and procedures for emergency situations.....	5:3
• First aid .....	5:3
• Calling emergency services.....	5:3
Fire safety in child care facilities .....	5:4
• Fire drills.....	5:4
• What to do if you discover fire in your child care facility .....	5:4, 5
• If you choose to extinguish the fire .....	5:6
• Services offered by your local fire department .....	5:6
Fire department phone numbers .....	5:7
Hazardous substances .....	5:8
• Poisonous plants .....	5:8, 9, 10
• First aid for poisons .....	5:10
• Other common hazardous substances .....	5:11
Anaphylaxis alert: are you prepared .....	5:12
Anaphylaxis resources .....	5:13
Stay cool in the heat .....	5:14
• Individuals at risk .....	5:14
• Signs of heat related illness .....	5:14
Cold weather protection .....	5:15
• Signs and symptoms of frostnip and frostbite.....	5:15
• Prevention of frostnip and frostbite.....	5:15, 16
• Treatment of frostbite .....	5:17
Routine practices to prevent or reduce the transmission of diseases.....	5:18
• Routine practices and child care centres .....	5:18
• Handwashing .....	5:19
• Hand sanitizers .....	5:19

- Gloves .....5:19, 20
- Gowns .....5:20
- Masks, eye and face protection .....5:20

**Chapter 6. Healthy eating**

Introduction to healthy eating .....6:1

Tips for success .....6:1

Feeding infants (birth to 12 months).....6:2

- Food provided by parents .....6:2
- Warming bottled breastmilk, formula or cow’s milk .....6:3
- Feeding from a bottle.....6:3
- Infant food .....6:3, 4
- Feeding infants .....6:4, 5
- Feeding routines .....6:5

Feeding children (one year of age and older) .....6:6

- Serving sizes for children one year of age and older .....6:6
- Total amount of food to offer .....6:7
- Amount of food to offer at meal time .....6:7
- Between meal snacks.....6:7
- Menu planning .....6:8, 9
- Food allergies, intolerances or restrictions.....6:9
- Steps to planning a cycle menu .....6:10
- Menu planning checklist.....6:11
- Sample four-week preschool menu .....6:12, 13

Nutrition guidelines for before and after school programs.....6:14

- Healthy snacks.....6:14
- Healthy breakfasts .....6:14

Choking prevention .....6:15

- Foods that can cause choking in babies and young children .....6:15
- Tips for feeding safely.....6:16
- Tips to prevent choking .....6:16

**Chapter 7. Food safety**

Introduction to food safety .....7:1

Tips for success .....7:1

Time and temperature control .....7:2

Cross contamination.....7:3

Preventing food-borne illness through proper handwashing.....7:4

Rodent and insect control.....7:5

Food safety for allergy prevention.....7:6

Food service tips .....7:7, 8

Glove use for the food handler.....7:9

**Chapter 8. Dental health**

Introduction to dental health .....8:1

Tips for success .....8:1

Importance of baby teeth.....	8:2
• Teething .....	8:2
Oral hygiene care .....	8:3
Care of a child’s mouth without teeth.....	8:3
• Care of a child’s mouth with teeth .....	8:3, 4
Pacifiers, thumb and finger sucking .....	8:5
• Rules to follow for the safe and proper use of pacifiers .....	8:5
• Helpful tips on how to stop a child from their sucking habit.....	8:5
Early childhood tooth decay .....	8:6
Healthy snacking for healthy teeth .....	8:7
• What is a cavity and how is it caused?.....	8:7
Sippy cups .....	8:8
First dental visit.....	8:9
Fluoride .....	8:10
Guidelines for a toothbrushing program.....	8:11, 12
Children in need of treatment (CINOT) program.....	8:13
• Ontario Works (OW) program for dependant children.....	8:13
Dental safety.....	8:14
• Rules for tooth safety.....	8:14
• Dental emergencies .....	8:14
Dental programs .....	8:15
• Dental screening .....	8:15
• Dental health education for parents and caregivers .....	8:15, 16
• Contact information.....	8:16

## **Chapter 9. Healthy body, healthy mind**

Introduction to healthy body, healthy mind.....	9:1
Tips for success .....	9:1
Brain development in the early years .....	9:2, 3
Early identification of developmental lags in children birth to age six.....	9:4
• Early identification screening tools .....	9:4
• Nipissing district developmental screens .....	9:4, 5
• York Region red flags guide .....	9:5
Nurturing self-esteem in children .....	9:6
• Tips to increase self-esteem in children .....	9:6
Healthy active kids.....	9:7
• Programs and resources.....	9:7, 8
Preventing bullying.....	9:9
• Different roles individuals can represent in a bullying situation .....	9:9
• Characteristics of a child who is being bullied .....	9:9, 10
• Signs to look for in a bullying situation .....	9:10
• What can child care providers do .....	9:10
Healthy sexuality.....	9:11
• Tips for talking to children about sexuality.....	9:11

## Chapter 10. Abuse

Introduction to abuse.....	10:1
Tips for success.....	10:2
Child abuse prevention strategies .....	10:3
• General indicators of possible abuse or neglect.....	10:4
Abuse in children with special needs.....	10:5
Cultural considerations .....	10:6
Neglect .....	10:7
• Possible indicators of neglect.....	10:8
Emotional abuse.....	10:9
• Possible indicators of emotional abuse .....	10:10, 11
Witnessing family violence.....	10:12
• Possible indicators of witnessing family violence .....	10:13, 14
Physical abuse.....	10:15
• Possible indicators of physical abuse .....	10:16
Sexual abuse.....	10:17
• Children’s sexual behaviour.....	10:17
• Sexual behaviour in toddlers and young children.....	10:18, 19, 20
• Possible indicators of sexual abuse .....	10:21
Dealing with disclosures .....	10:22
• Responding effectively to disclosure .....	10:22, 23, 24, 25

## Community resources

Important numbers.....	R:1
