## CLASS ENVIRONMENTAL ASSESSMENT STUDY

### DECOMMISSIONING OF THE WOOTTEN WAY ELEVATED TANK

#### Town of Markham

The Regional Municipality of York (York Region) has completed a Municipal Class Environmental Assessment study (Class EA) for the decommissioning (retiring and removal) of the Wootten Way elevated water storage facility (elevated tank), as recommended in the York Region Water and Wastewater Master Plan Update (November 2009). The elevated tank is located at 77 Wootten Way North in the Town of Markham (see location map below).

The Class EA has been conducted in accordance with **Schedule B** of the MEA *Municipal Class Environmental Assessment* (October 2000, as amended in 2007) under the Ontario Environmental Assessment Act.

Subject to the comments received as a result of this Notice and the receipt of other approvals as necessary, York Region intends to proceed with the execution of this project.

A **Schedule B** Project File has been prepared for this project. The Project File describes the problem, the assessment of alternatives and the preferred solution, as well as the public and agency consultation program conducted during the Class EA.

The Project File is available for public review until March 28, 2011 at the following locations during normal business hours:
