RE: **Development Charge Credit Application
Wykland Estates Inc. (Cornell)
Hwy 7 and Bur Oak Avenue
Our File No. D19 07.008.M**

The Transportation Services Department has reviewed the information provided for the above application.

As noted on the attached summary sheet, \$673,186.21 is considered to be eligible for credit versus the requested amount of \$807,795.46.

The works included in this application is for the Hwy 7/Bur Oak Avenue intersection improvements and these figures are based on York Regions 2007 unit cost. This section of Hwy 7 was assumed into the Regional road system in 2007.

This section of roadway is not programmed in York Regions 10 year roads construction programme therefore the works done in this area should be considered under the Region's intersection improvements category.

Please process the credit application or if additional information is required please contact me at extension 5740.
