

HOUSING PROVIDER BULLETIN

Personal Information of Tenants is Protected Under the *Personal Information Protection and Electronic Documents Act (PIPEDA)*

The Home Ownership component of the Canada-Ontario Affordable Housing Program makes it easier for people to buy their first home. The Ministry of Municipal Affairs and Housing has contracted with two organizations to deliver the home Ownership Program. They are:

Initiatives Group Inc.	and	Intercity Realty Inc.
Rubi Talavera		Patricia Perez

Staff from these organizations may approach you for lists of your market tenants. As a reminder, housing providers are subject to PIPEDA and are prohibited from releasing personal information such as names, addresses, market rent status, etc. without the explicit consent of the people concerned.

Housing providers may support the program, however, in other ways such as posting information of bulletin boards or providing space for meetings.

Please contact your Program Co-ordinator if you have questions.
