

The Regional Municipality of York

NOTICE OF CONSTRUCTION

NASHVILLE ROAD WATERMAIN AND INTERIM WATER BOOSTER PUMPING STATION City of Vaughan

The Regional Municipality of York (York Region) will be working in your community to construct a new watermain along Nashville Road and a new interim water booster pumping station at York Region's existing Water Well No. 3 site, located on 81 Whisper Lane in the City of Vaughan (the Project).

The new watermain will be constructed along Nashville Road, from Huntington Road to Whisper Lane and the interim water booster pumping station will be constructed at the site of York Region's existing Water Well No. 3 (see key map below). The Project will provide additional water capacity and pressure to accommodate approved growth in the new Kleinburg North Water Pressure District, as well as the existing Kleinburg Water Pressure District.

Construction of the Project is tentatively scheduled to begin in spring 2012. Additional details about construction will be posted on York Region's website prior to the start of construction.

York Region invites your input and questions on the construction of this Project. If you wish to receive further information or to submit a comment or inquiry, please contact:
