

# NOTICE OF CONSTRUCTION & PUBLIC INFORMATION CENTRE

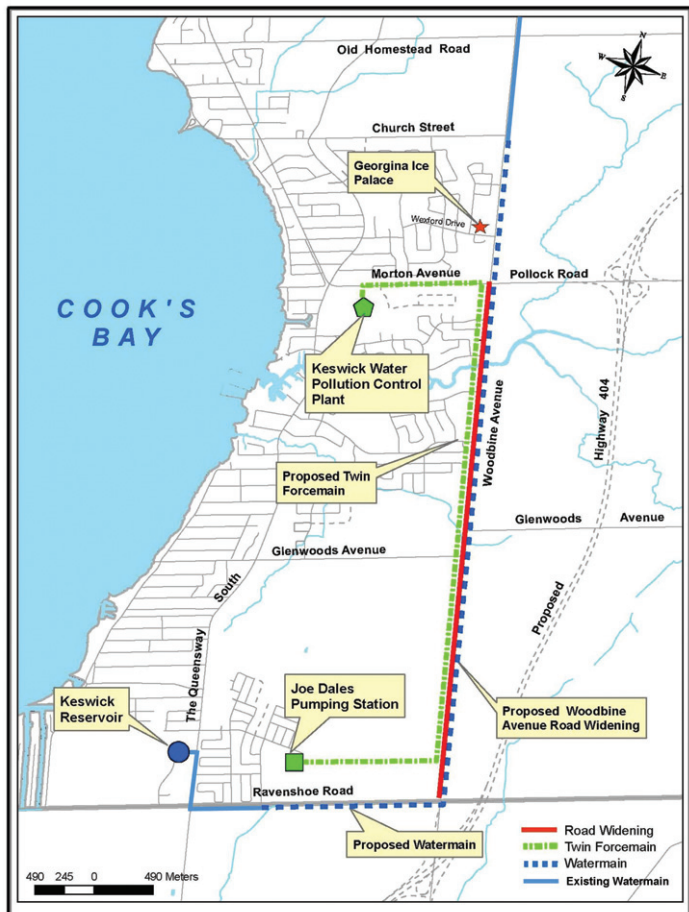

## Woodbine Avenue Road Widening, Watermain and Forcemain Construction Town of Georgina

**The Project:** The Regional Municipality of York has awarded a construction contract to widen Woodbine Avenue, and to construct a new watermain and sanitary forcemain as identified in the York Region Long Term Master Plans.

The road widening of Woodbine Avenue is between Ravenshoe Road and Morton Avenue.

The new watermain will connect an existing watermain at the intersection of Ravenshoe Road and Thornlodge Drive to an existing watermain at the intersection of Woodbine Avenue and Church Street. The new sanitary forcemain will connect the Joe Dales Pumping Station to the Keswick Water Pollution Control Plant (please see map).

**Public Information Centre:** York Region will be hosting a Public Information Centre to provide details of the construction activities for review by residents and other stakeholders. Written comments are also invited for consideration.

**The Public Information Centre will be held:**

**Tuesday, April 13th, 4 p.m. to 8 p.m.**

**Georgina Ice Palace**

**90 Wexford Drive, Keswick**

York Region invites your participation. Please forward questions and comments to:

**Ben Pressman, P.Eng.**
