

## Appendix D: Township of King Policy Tables

### *Bicycle and Trail Networks Policies*

<b>Document</b>	<b>Policy Statement</b>
OP, Section 5, Development Policy, 4, Recreational Facilities Policies, Pg. 24	(a) It is intended, whenever possible, that Metropolitan Toronto and Region Conservation Authority and the Holland Valley Conservation Authority will develop and provide regional recreation facilities at the Cold Creek Conservation Area, the Humber Trails Conservation Area, the King Creek Reservoir Area, the Nashville Reservoir Area and the King Conservation Area as shown on Schedule "C". Facilities to be provided will include fishing, picnicing, swimming, boating, winter sports, nature trails, and hiking.

### *Transit Policies*

<b>Document</b>	<b>Policy Statement</b>
OP, Section 4, Transportation Policy, 7, Commuter Railway Policy, Pg. 22	It is the intention of this Plan that commuter rail service will be encouraged on the Canadian National Railway system and that a commuter service station will be encouraged in King City.
