Dear Mr. Kelly:

The Ministry is in receipt of your recent correspondence relating to prospective Highway 407 interchange improvements on Centre Street. I have been asked to reply on behalf of the Ministry of Transportation.

We appreciate York Region's recommendations and input on this issue. In accordance with the ministry's previous commitments regarding a future interchange at Highway 407 and Centre Street the ministry will continue to protect necessary lands for the interchange and, as part of the ministry's ongoing liaison with 407 ETR, the ministry will also discuss the possibility of undertaking the feasibility study prior to 2015.

Thank you for taking the time to provide this information to the Ministry of Transportation.

Sincerely,

for Lou Politano, P.Eng.
Regional Director
