

## DOMICILIARY HOSTELS IN YORK REGION

A domiciliary hostel is a place of board or lodging for people who require limited supervision with daily living activities. For most residents, the domiciliary hostel is their permanent home.

Licensed by The Regional Municipality of York and/or Ontario Ministry of Health and Long Term Care, under the *Homes for Special Care Act*, these privately owned and operated hostels offer a community housing alternative to institutional care.

### AURORA

#### **Cobblestone Lodge Retirement Home • (905) 841-9390**
