

Another step in the right direction!

The _____ (insert school name) Healthy School Committee conducted surveys of students, staff and parents to identify the health needs of our school. In doing so, the committee has learned a lot about the health of our school. Thanks to all who completed the survey; your input was invaluable in determining the needs of our school.

As a result of the survey, we learned that we are already supporting health in several areas: (insert examples)

We also learned that there are several areas that need improving: (insert examples)

As a committee, we have prioritized the issues. We have chosen to focus on:

In the next few months, we will be developing activities based on these health issues for our school community. We may be requesting your help in the planning and carrying out of the activities, so we encourage your participation! We will keep you posted on upcoming activities.

If you have any questions, concerns or additional ideas on how we can address these issues, feel free to contact any of the committee members or our Healthy Schools Champion _____ (insert contact name) at _____ (insert contact information). Thank you for your input!

You spoke, we listened! Stay tuned for fun activities coming your way!
