

HOUSING PROVIDER BULLETIN

New Annual Information Return (AIR) Form

The Ministry of Municipal Affairs and Housing (MMAH) has developed a new First Year Annual Information Form to be used for the reconciliation of the subsidies paid to housing providers during their first year of benchmarks.

Provincial Reform Housing Providers will receive, at their financial year end, the new Air, along with a User Guide to assist with the completion of the report which is due five months after the fiscal year end.

Incomplete AIR forms will be returned to housing providers and considered as not received until they have been completed and returned.

Questions regarding completion of the AIR may be addressed to the Financial Analysts:

Cathy Carter at 905-830-4444, ext. 2153
Kevin Jennett at 905-830-4444, ext. 2139

Other questions, as usual, should be directed to the Program Co-ordinators.
