Phase II – Social Housing Innovation Fund Applications

We are pleased to begin Phase II of the Social Housing Innovation Fund for housing providers who wish to apply for funding for accessibility upgrades or playground improvements/replacements. Applications must be submitted by June 30, 2009.

Please see the attached copy of *Program Instruction 2007-05 Social Housing Innovation Fund*, which will provide you with an outline of the program and the steps required to apply. You may also access the *Social Housing Innovation Fund Request Form* from York Region's website at www.york.ca

After the June 30th deadline, Regional staff will review the applications and supporting documentation and will notify housing providers whether their application has been approved or not.

Housing providers who need help completing the applications or who have questions should contact their Program Co-ordinators.
