

Dear Parent/Guardian:

Re: Conscience/Religious Exemption Requests

You have requested that your child be exempted from the immunization(s) required under the “*Immunization of School Pupils Act*”.

Under the “*Immunization of School Pupils Act*”, you are required to complete the enclosed STATEMENT OF CONSCIENCE OR RELIGIOUS BELIEF affidavit and have it sworn before a Notary Public or Commissioner of Oaths and notarized.

Please return the statement upon completion in the enclosed envelope as soon as possible. Failure to do so could result in the suspension of your child from school as outlined in the “*Immunization of School Pupils Act*”.

In making the decision not to immunize your child against measles, mumps, rubella (German measles), diphtheria, tetanus or polio, please be aware that in the event of an outbreak of one of these diseases in the school, your child will be considered “at risk” and will be excluded until the outbreak is over.

Please forward the original exemption form and retain a copy for your records.

Thank you for your prompt attention to this matter.

Sincerely,

Isabel Payne, RN, BScN
Manager, Community Clinics
Infectious Diseases Control Division
