## **May Housing Provider Event**

**Mark your calendars for a Housing Provider Event on May 12, 2009!**

York Region is hosting an Information Sharing and Board Appreciation Event for social housing providers in York Region.

We are planning an afternoon/evening (2 p.m. to 8 p.m.) event for housing provider staff and board members. We have also invited your sector organizations to participate. The agenda will include an afternoon of information sharing, dinner and a board appreciation presentation.

Please ensure that your board members receive this notice as soon as possible, so they may plan to attend.

We will forward an agenda and invitation package shortly.

Please contact your Program Co-ordinator if you have questions.
