NOTICE OF STUDY COMPLETION

CLASS ENVIRONMENTAL ASSESSMENT STUDY
GLENWAY RESERVOIR EXPANSION PROJECT

Town of Newmarket

The Regional Municipality of York (York Region) has completed a Municipal Class Environmental Assessment study (Class EA) to address the expansion of the existing Glenway Water Reservoir (the Project), as recommended in the York Region Water and Wastewater Master Plan Update (November 2009). The Glenway Reservoir is located at 335 Kirby Crescent in the Town of Newmarket (see location map below).

The Class EA has been conducted in accordance with Schedule B of the Municipal Class Environmental Assessment (October 2000, as amended in 2007). The purpose of the Class EA is to determine the preferred option for the Project to meet the increased water demands of the central and west areas of Newmarket.

Subject to comments received as a result of this Notice and the receipt of other necessary approvals, York Region intends to proceed with the detailed design and construction of the Project.

A Project File has been prepared for this Project. The Project File describes the problem, the assessment of alternatives and the preferred solution, as well as summarizing the consultation conducted during the Class EA.

This Notice places the Project File on public record for a review period of 32 days, from July 7, 2011 to August 7, 2011, on the York Region website, at the following URL:

http://www.york.ca/Public+Notices/Public +Notices_WWw.htm

The Project File is also available for public review at the following locations during regular business hours (Monday to Friday, 8:30 a.m. to 4:30 p.m.):

The Regional Municipality of York Clerk's Department 17250 Yonge Street, 4th Floor Newmarket, Ontario
Town of Newmarket Clerk's Department 395 Mulock Drive Newmarket, Ontario

Interested persons may provide written comments to the York Region representative listed below within the review period.
