

Reflection and Planning for Next Year

What changes may occur that could affect our Healthy School next year?

Healthy School Committee members leaving the school (Principal, students, parents)

- Members may be leaving the school for various reasons such as graduation, new job or moving away

Changes within the school structure

- New guidelines from the Ministry of Education
- New curriculum
- New school schedule

How will you address these? _____

What needs to be done to prepare for next year?

- Healthy Schools update prepared and ready for next year's Fall school newsletter
- Plan how you will communicate to the school that Healthy Schools is continuing
- Look for activities from your Action Plan that can be implemented as soon as the next school year begins
- You can now adjust the action plan and add or remove things in preparation for next year
