What is Social Economy?

- EPIC is a Social Economy incubator started in 2010. A facility with equipmment and professional services that creates income and career opportunities for individuals who face barriers. It also helps non-profit organizations become self reliant by establishing Social Enterprises (social purpose businesses).
- EPIC is replicable through franchsing agreement.

#### **Support for Individuals**

- Training
- Placement
- Employment/income
- Linkage with the Industry
- Social & other services

#### **Support for Organizations**

- Collaboration
- Training, feasibility, support
- Franchising of EPIC model
- Build capacity to enterprise & sustain
