Subject: Special Committee Meeting - Thursday, March 5th, 2015 - 9:00 a.m.

Hello Kathy - many thanks for your time and effort in helping me this morning.

I would like to be on the roster to make a submission to Council on the above date/time.

As a founding member of STORM (Save the Oak Ridges Moraine Coalition) I have a concern about water and watershed and thus would like to speak about this at this Special Meeting.

Would appreciate receiving confirmation of approval of my appearing before the Committee.

Thank you.
