Dear Council,

In an ongoing effort to educate and engage Ontarians about waste reduction, Recycling Council of Ontario is asking municipalities from across Ontario to demonstrate their commitment to waste reduction and proclaim Oct. 20 - 26, 2014 as Waste Reduction Week.

Waste Reduction Week in Canada is an environmental campaign that builds awareness around issues of sustainable and responsible consumption, encourages choice for more environmentally responsible products/services, and promotes actions that divert more waste from disposal and conserve natural resources.

Your community's commitment and participation in Waste Reduction Week in Canada communicates the importance of waste reduction, and encourages residents to contribute to environmental protection.

There are three ways for council to proclaim Waste Reduction Week.

- 1. Online at www.wrwcanada.com/proclamations
- 2. Incorporate the following into a formal municipal resolution and email your resolution/proclamation to <u>wrw@rco.on.ca</u>:

WHEREAS the generation of solid waste and the needless waste of water and energy resources are recognized as global environmental problems and,

WHEREAS municipal and provincial governments have an important role to play in promoting waste reduction, reuse, recycling, composting and other conservation measures and,

WHEREAS communities, businesses and organizations across Canada have committed to working together to raise awareness of these issues during Waste Reduction Week in Canada, and,

NOW KNOW YE THAT We do by these presents proclaim and declare that Oct. 20 - 26, 2014, inclusive, shall be known as Waste Reduction Week.

Please join municipalities across Canada by proclaiming Oct. 20 - 26, as Waste Reduction Week. Alternatively, if your community does not offer official proclamations, have your Waste Reduction Week activities and events profiled online. For more information, visit <u>www.wrwcanada.com</u>.

Thank you for your commitment to waste reduction.

Kind regards,
