

# Water Word Scramble

## Water Word Scramble

As a class or in small groups, unscramble the different pieces of the water system that all start with the letter “P” using the clues below.

<b>A</b>	<b>EIPPS</b>	Tubes through which water and wastewater moves from place to place	
<b>B</b>	<b>MUPPS</b>	Gives water or wastewater a push to keep it moving	
<b>C</b>	<b>WRPOE</b>	Needed to operate all our water and wastewater system	
<b>D</b>	<b>LEEPP0</b>	Friends, family and neighbours who use water everyday	
<b>E</b>	<b>ATNPL</b>	Place where water or wastewater is checked and treated ( <i>hint</i> : also a type of vegetation)	
<b>F</b>	<b>URPESESR</b>	Helps move the water and wastewater through the system
