## Mount Albert Water Supply Upgrades Municipal Class Environmental Assessment Study

LEARN MORE!  
HAVE YOUR SAY.

Town of East Gwillimbury

January 14, 2021

The Regional Municipality of York has completed a Schedule B Municipal Class Environmental Assessment (Class EA) study to identify improvements to the water supply system and water quality in the community of Mount Albert in the Town of East Gwillimbury.

As a result of the study, York Region identified providing centralized iron and manganese removal technology for all wells at the existing Wells 1 & 2 Facility as the preferred solution to improve water quality and identified operational modifications to facilitate maintenance of water storage in the Mount Albert Water Supply System.

This notice places the completed Project File on public record for a comment period of 30 calendar days from January 14, 2021 to February 13, 2021. We invite you to review the Project File, and interested persons may provide written comments and concerns by February 13, 2021, directly to:

Requests should specify the requestor's name and contact information, the kind of order being requested (request for additional conditions or an individual/comprehensive environmental assessment), how an order may prevent, mitigate or remedy potential adverse impacts, and any information in support of the statements in the request.

Requests should also be sent to York Region by mail or by e-mail.

Thank you for your participation in the study. An accessible version of this notice is available upon request.

This notice was issued on January 14, 2021.

Personal information submitted (e.g., name, address and phone number) is collected, maintained and disclosed under the authority of the *Environmental Assessment Act* and the *Municipal Freedom of Information and Protection of Privacy Act* for transparency and consultation purposes. Personal information you submit will become part of a public record that is available to the general public, unless you request that your personal information remain confidential.
