

New Bus Loop Opening at Rutherford

April 25, 2022

The local project

Metrolinx has recently opened the new 6-storey parking structure with 1,200 net-new spaces along with the new integrated station building at Rutherford GO Station. Contractors continue construction on the upgraded bus loop, platforms, and a grade separation on Rutherford Road. This work at Rutherford GO is part of GO Expansion as Metrolinx is working to bring customers all-day, two-way service on the Barrie corridor.

Construction Notice

The new bus loop and passenger pick up and drop off at Rutherford GO Station is expected to open **April 25, 2022**. Buses will use the new entranceway on Rutherford to enter and exit the bus loop area (depicted above).

Directional signage will be installed for customers to assist with wayfinding upon the opening of the new amenities.

The schedule may be adjusted, rescheduled, or extended due to weather conditions or unforeseen circumstances.

What this means for you

Customers will be directed to the new bus loop area in the northeast section of the parking lot. Construction activities within the northwest section of the parking lot will resume.

Customer and Reserve parking has been relocated to the parking structure. Accessible parking will be available within the parking structure.

Questions

If you have any questions or concerns about this work, please contact us any time at YorkRegion@metrolinx.com.
