

# Disruption Alert

---

Wednesday, June 15, 2022

## **Construction and Temporary Road Closure — Hillside Avenue at Highway 7 Monday, June 20 at 6 a.m. to Saturday, June 25 at 6 a.m.**

Due to watermain construction (weather permitting), access to Hillside Avenue to and from Highway 7 will be temporarily closed from Monday, June 20 at 6 a.m. to Saturday, June 25 at 6 a.m.

This necessary municipal infrastructure work – to replace the existing watermain on Highway 7 from Keele Street to Hillside Avenue – requires a temporary road closure on Hillside Avenue at Highway 7 to complete the work as safely and efficiently as possible.

In the event of inclement weather or unfavourable site conditions, the temporary closure and work will be rescheduled and/or extended as required.

Please note:

- Some construction will take place overnight to complete the work safely and to minimize disruption to the community.
- Traffic detours will be in place during the closure with vehicular access to and from Hillside Avenue available via Baldwin Avenue.
- Eastbound lane reductions will be required on Highway 7 during this phase of construction.

This work will be carried out by the City-retained contractor, Four Seasons Site Development Ltd., under the direction of the City's Infrastructure Delivery department.

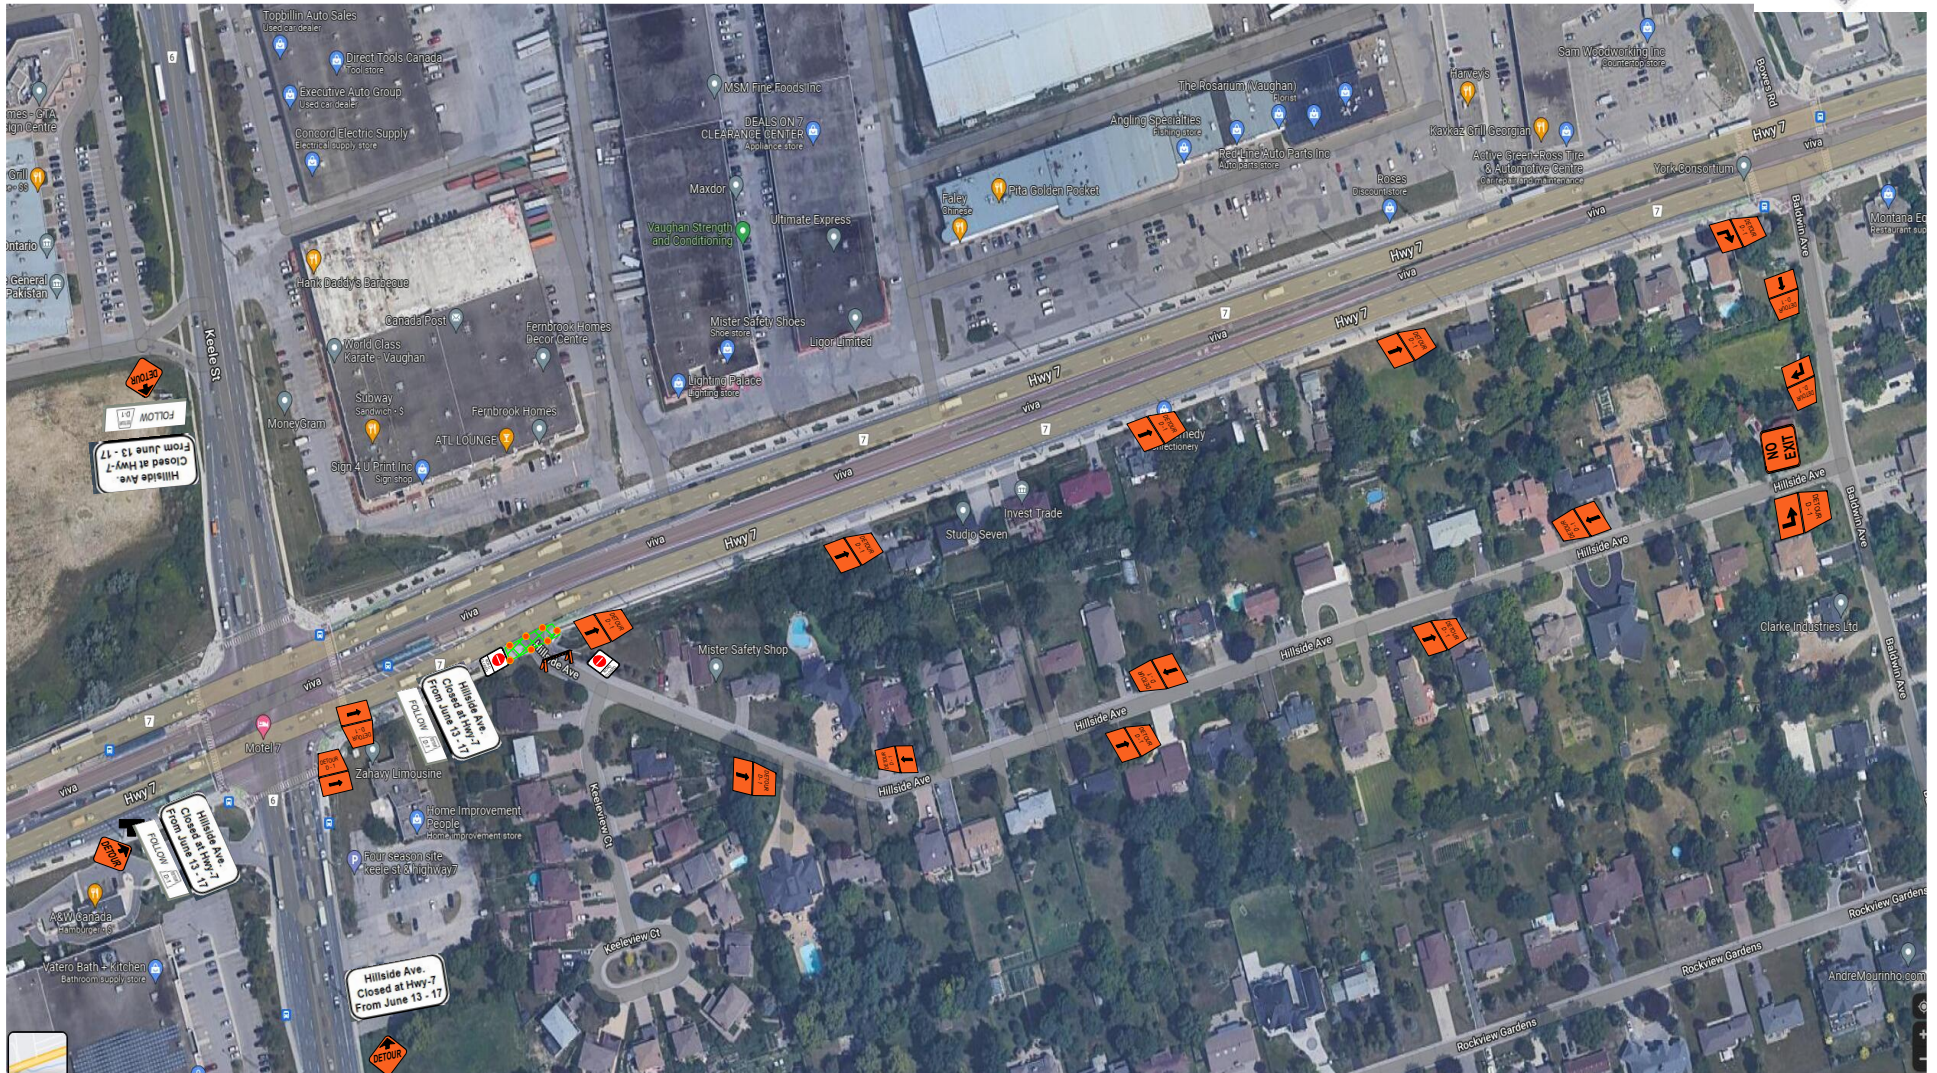

For questions regarding this notice and the overnight construction work, please contact:

Infrastructure Delivery department  
Infrastructure Development  
T: 905-832-2281, ext. 8917
