CONSTRUCTION NOTICE
16TH AVENUE/ KENNEDY ROAD

Effective April 2023 to mid July 2023

To support growth and accommodate current and future transportation needs, intersection and road improvements are required along 16th Avenue and Kennedy Road in the City of Markham.

Construction is scheduled to start in April 2023 and to be completed by mid July 2023.

Construction work will be phased to minimize disruptions to travelers.

Lane closures may be required during non-peak hours.

Improvements include:

- Lane reconfigurations throughout the intersection
- Upgrading permanent traffic signals to meet *Accessibility for Ontarians with Disabilities Act* (AODA) requirements
- Paving and island installation

During construction, traffic control signage will be in place to guide pedestrians and motorists, and access will be maintained for pedestrians, transit and emergency services. Driveways and entrances to residences and local businesses will be open. Postal delivery and waste collection will not be affected.

Thank you for your patience and understanding during this project.

Questions and concerns should be directed to:
