

# Notice of Road Closure

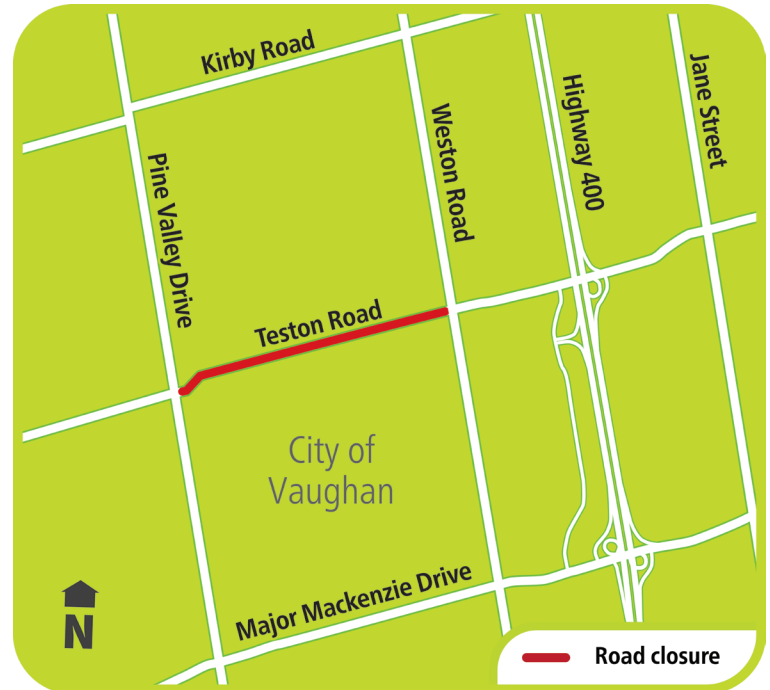

Transportation improvements prepare York Region to meet the needs of motorists, cyclists, pedestrians and transit users today and into the future.

## DESCRIPTION

- York Region is widening and reconstructing Teston Road between Pine Valley Drive and Weston Road.
- Improvements include widening the road to two lanes in each direction, realigning the intersection of Teston Road and Pine Valley Drive and adding new traffic signals, constructing a new bridge, and installing sidewalks, cycling paths, a trail connection, street lighting, trees and greenery.
- A six-month full road closure is necessary while crews raise the road five metres, construct a new bridge over Purpleville Creek and work at the Teston Road and Pine Valley Drive intersection.

## IMPACTS TO TRAVELERS

- Local access will be maintained for the properties in the closed section. All other traffic will not be permitted. Signs will guide travellers.
- Following the closure, the road will reopen with the new alignment and traffic signals.

## DURATION

**July 3, 2023 to December 31, 2023**

As with all road construction projects, work may be rescheduled due to weather. York Region will provide advance notice where possible.

Thank you for your patience during the construction period. We understand road construction creates challenges for the community and we are working to deliver this project with minimal disruption. If you have any questions or concerns, staff will be pleased to respond. Contact us using any method noted below and quote **"Teston Road Closure"** in your inquiry.

*Accessible formats of this notice and communication supports are available upon request.*
