

Teston Road Improvements

City of Vaughan

Road work on Teston Road, Pine Valley Drive to Weston Road, is **complete**.

Improvements

- Widened the road to four lanes and constructed a new bridge
- Realigned the intersection of Teston Road and Pine Valley Drive and installed traffic signals
- Installed sanitary sewers and watermain extensions to service residential development
- Installed new sidewalks, cycling paths and lighting
- Built a trail connection under the bridge
- Planted trees and greenery within boulevards
- Restored natural habitat in the valley

These upgrades support safer, more efficient travel for drivers, cyclists and pedestrians.

Thank you, City of Vaughan travellers and residents, for your patience during construction.

Bridge Improvements at Purpleville Creek

Constructed a 45-metre long, 26-metre wide, four-lane bridge to increase capacity - including raising the road by five metres.
