For **maintenance requests**, please continue to submit a Maintenance Request Form through the [Resident Portal](#).

If you are currently contacting your Property Manager or Tenant Services Coordinator directly, we kindly ask that you **please stop and begin using the central contact information instead**. This ensures your request is directed to the right team member as quickly as possible.

Find more information about your tenancy on the [york.ca HYI Resident Information page](#).

Accessible formats or communication supports are available upon request.
