The Regional Municipality of York Cycling Map

Disclaimer

The York Region Cycling Map was created by The Regional Municipality of York for personal, non-commercial use to provide assistance to cyclists and/or pedestrians in planning cycling, walking, running or other kinds of trips throughout York Region. The designated cycling facilities and connections on the map were identified in consultation with the Regional Municipality of York's nine local municipalities and other external agencies. Although reasonable efforts have been made to ensure its accuracy, the Regional Municipality of York makes no representations or warranties of any kind concerning the accuracy, reliability, fitness for any purpose, or completeness of the York Region Cycling Map including, but not limited to, the designation of a street or facility on the map with a bicycle lane, route, pathway, trail, or paved shoulder. Further, such a designation does not guarantee any minimum lane width or pavement condition or availability for use. Cyclists, pedestrians, and/or other users must use these streets with the same caution they would use when riding or walking or running or performing other activities on similar streets that have not been so designated. Unsigned routes may not reflect some municipalities' Active Transportation Plans or other approved On-Street and/or Off-Street Trail Plans. All routes should be evaluated by each individual cyclist, pedestrian, and/or other user based on their own judgment, including but not limited to their respective levels of experience, comfort level cycling, walking, or running in traffic or other prevailing conditions, quality of bicycle and gear, weather conditions, time of day, and any road obstacles, whether temporary or permanent, such as, but not limited to, construction or pot holes. The Regional Municipality of York is not responsible for any acts or omissions committed by cyclists, pedestrians, other users, or third parties of any kind, including but not limited to those which may or do cause property damage or a hazard, injury, personal injury, or death to third parties or cyclists, pedestrians, and/or other users of the routes on the York Region Cycling Map. YOUR USE OF THE YORK REGION CYCLING MAP IS AT YOUR OWN SOLE RISK.

Independent developers have made applications for a variety of platforms using The Regional Municipality of York's open data. These are commercial third-party applications available for download. The Regional Municipality of York does not sell, license or provide maintenance support for these applications, nor endorse them in any way. AND USE OF THESE APPLICATIONS IS AT YOUR OWN SOLE RISK, so please read the details and review carefully before choosing to download any of these applications. The Regional Municipality of York cannot guarantee and is not responsible for the functionality of third-party applications or the accuracy or security of information in third-party applications.

Your use of the York Region Cycling Map constitutes your irrevocable agreement to this Disclaimer.

Cycling Signs and Pavement Markings

Cycling and The Law

A detailed handbook of rules and safety tips for cyclists is available at ontario.ca/SafeCycling

For more information about sidewalk bylaws, please check with the local municipality.

Bicycle Hand Signals

Bicycle Collisions

Here are some tips should a collision with a motor vehicle occur while cycling:

- **Emergency:** Dial 9-1-1 for Police
- **Non-Emergency:** 1-866-876-5423
- Obtain any witness information
- Record the driver's:
 - Name
 - Contact information
 - Insurance company and policy number
 - License plate number
 - Vehicle description
- Offer assistance to the injured until help arrives

Cycling Events

Helmet Safety

It is the law in Ontario for children and youth (under 18) to wear a helmet with cycling. *Shake, Shake, Shake* your head up and down and side to side to make sure the helmet is snug.

Equip your bike: Be Seen - Be Heard - Be Safe

- Ontario law requires that you equip your bike with:
- ✓ White reflective tape on the front forks and red reflective tape on the rear forks
 - ✓ A white front light and a red rear light or reflector if you ride between 30 minutes before sunset and 30 minutes after sunrise
 - ✓ A bell or horn that works

Multi-use path on Mulock Drive
Town of Newmarket

 - Major Transit Hub
 - Commuter Parking
 - Post Secondary School
 - High School / Elementary School
 - Municipal Building
- Scale 1:555 000
- 0 1 2 3 4 Km
- 1 km = 0.62 miles

Trail Etiquette

- Show courtesy to other trail users at all times
- Use right side of trail except when otherwise designated
- Always pass on the left
- Cyclists yield to pedestrians
- Give audible warning by bell, horn, or by voice when passing pedestrians or other cyclists
- Keep to the trail
- Ride at a safe speed. Slow down and form a single file in congested conditions, reduced visibility, and other hazardous conditions

York Regional Forest Eldred King Tract
Town of Whitchurch-Stouffville

York Region Trail Guide

The York Regional Forest, spanning over 2,600 hectares with 22 public tracts, offers free access every day of the year. The Everyday Guide to the York Regional Forest provides maps, photographs, key information, sights to see, parking and instructions for your next visit! For more information visit york.ca/YRF

Lake to Lake Route

The Lake to Lake Route is a 475 kilometre provincial cycling route from Northumberland County to Niagara Region, including 70 kilometres of signed cycling adventures in York Region. Launched in 2015, the route connects local Greenbelt communities and businesses along the way. There are many places to stop and explore in the beautiful, protected countryside of Ontario's Greenbelt. For more information, visit greenbelt.ca/Explore
