

YORK REGION MOBILE APPLICATION

Presentation to York Region Accessibility Advisory Committee

Michelle Adlam, Manager, Corporate Digital, Design & PR Andrea Griepsma, Corporate Digital Specialist February 22, 2017

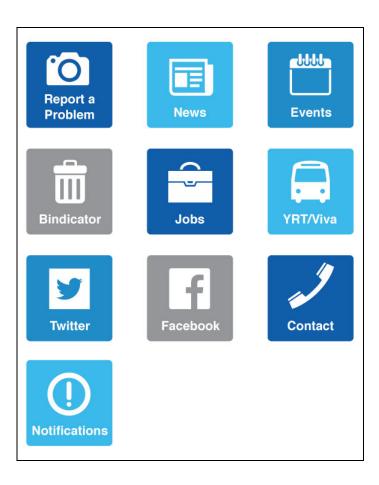

Background

One York Region mobile application that is the platform for all future Regional business apps

Functionality

- Report a Problem
- News
- Events
- Bindicator
- Jobs
- YRT/Viva
- Facebook
- Twitter
- Contact Us
- Notification Centre

Accessibility – Guiding Principles

Web Content Accessibility Guidelines (WCAG)
2.0 can be applied to mobile apps as guiding principles

Accessible Font & Sizing

- Things to consider include:
 - Typeface
 - Spacing
 - Style

FONTS

PRIMARY

Futura Heavy BT

SECONDARY

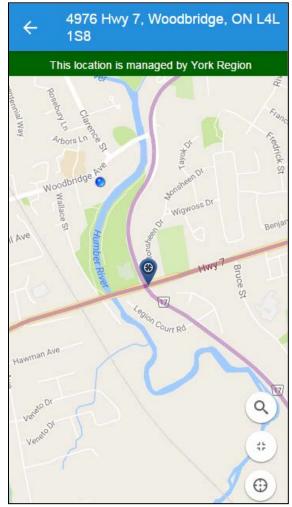

Helvetica Bold (tiles)

Helvetica Regular (body copy)

Zoom magnification

 Provides users with the ability to expand the map to full screen size

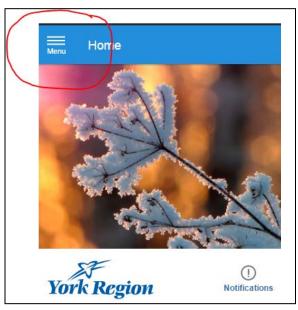

Consistent iconography

 Intuitively tell the user how to do a task or make a decision

Distinguishing and actionable features

- Provide clear identification that elements are actionable
- Hamburger menu, visual icons and conventional shape

Consistent navigation

- Ensures users can easily navigate back and forth throughout the app.
- Components that are repeated across multiple pages are presented in a consistent layout.

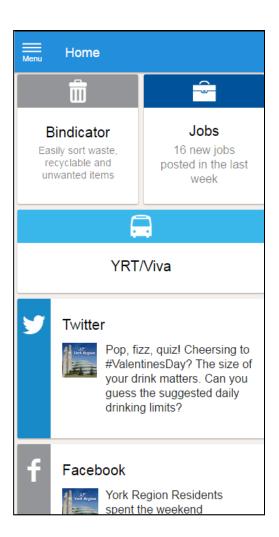

Positioning

 Placing important page information so it is visible without scrolling

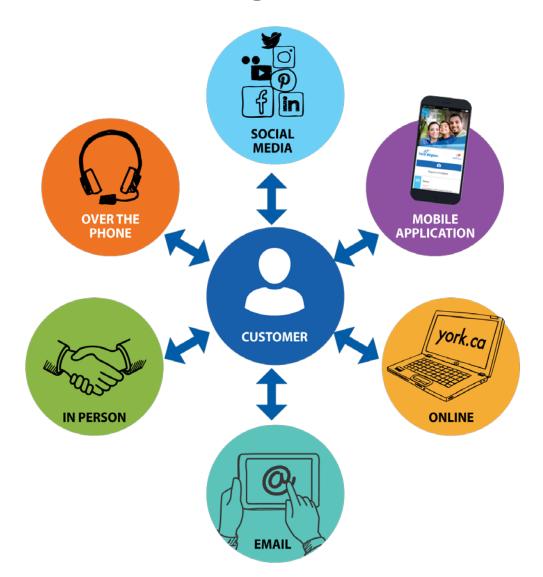

Top of the screen

Bottom of the screen

Customer Offering

THANK YOU!
