# 2 | Consultation

Consultation with stakeholders and the public is an important component of YRT/Viva's annual service planning process.

During the consultation process for the 2017 Annual Service Plan, various stakeholder groups from all municipalities in York Region participated in a number of meetings, workshops, outreach sessions, route surveys, and Public Information Centres (PICs).

The key objective of all stakeholder and public consultation was to obtain feedback on the proposed service initiatives. Comments were evaluated and considered in the development of the 2017 Annual Service Plan. A summary of the consultation feedback is provided in **Appendix C**.

### 2.1 | Consultation Events

In 2016, YRT/Viva consulted with stakeholders and the public through the following events:

- > Five stakeholder workshops
- > Five route surveys
- > Nine Public Information Centres (PICs)
