## **Trail Etiquette**

- · Minimize your impact on the natural environment
- Stay on designated trails for your safety and to protect plants and trees
- Respect the environment, be thoughtful of others and keep the trail clean
- Walk, run or wheel on the right of the trail and pass on the left
- Cyclists should yield to pedestrians and ring their bell in advance of passing
- · Respect the privacy of people living along trails
- · Communicate and be courteous to other trail users
- Leash your dog(s) around other trail users unless at a designated leash-free dog area
- · Keep pet waste off the trails
- Leave trees, flowers and plants as you found them, for others to enjoy
