

Acknowledgements

Designing Great Streets could not have been possible without the contributions of many Regional staff and stakeholders. Thank you.

These guidelines are a comprehensive street design resource for Regional staff and their many stakeholders. The contributions of these staff and stakeholders has been critical to the development of these guidelines. The project team, including the Regional Municipality of York Transportation Services staff and project consultant Brook McIlroy, would like to thank those that contributed to the completion of these guidelines, including the following:
