

Town of East Gwillimbury

Recently Completed

1. 2nd Concession Construction

Enhancements to the trail provide pedestrians and cyclists access to the new Nokiidaa Trail underpass below 2nd Concession, eliminating the need to cross the road and improving safety for all road users.

2. Nokiidaa Trail Extension

The Town of East Gwillimbury and Lake Simcoe Region Conservation Authority (LRSCA) in partnership with York Region, have extended the trail to Yonge Street.

2017 Progress

54%

Projected Remaining Cost

\$4,185,000

Expected Completion

2026

Total Distance

18.5 km

Future Work

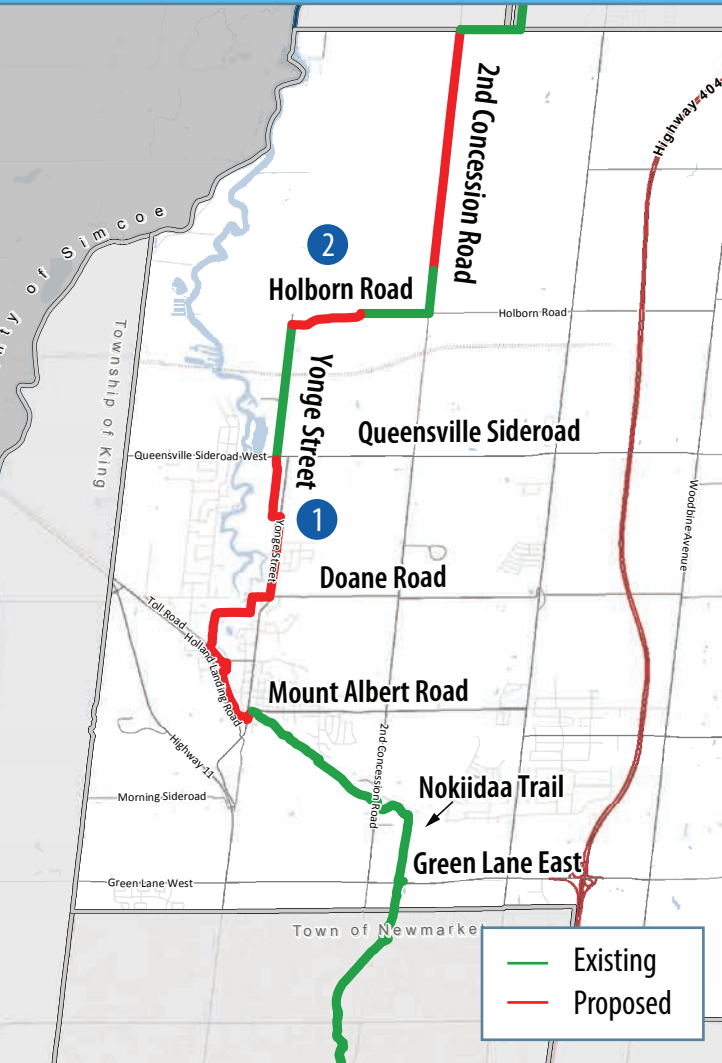

1. Yonge Street Multi-use Path

A multi-use path will be constructed along Yonge Street through Holland Landing. The Town of East Gwillimbury is working on plans for a pedestrian and cyclist connection from Doane Road and Yonge Street to Oriole Drive.

2. Holborn Road Connection

The land for the Holborn Road connection needs to be acquired from a private owner. East Gwillimbury and LSRCA will collaborate to create a pathway to connect Yonge Street to 2nd Concession Road.
