

Recently Completed

1. Leslie/Steeles Connection

The trail connection between Leslie/Steeles and the East Don Parkland to be completed in 2017. This will formalize the Lake to Lake connection between Toronto and York Region.

2. York Mills Road Bike Lanes

Bike Lanes on York Mills Road between Scarsdale Road to Lesmill Road completed in 2016.

3. Don Mills Rail Trail Extension

Don Mills Trail Extension from Bond Avenue to north of York Mills was opened on August 2, 2016. There are also two development applications that will connect the trail to Sunnybrook Park within 3-5 years.
