MEMORANDUM OF ORAL DECISION AT THE 9TH PRE-HEARING CONFERENCE
DELIVERED BY S.W. LEE AND K. HUSSEY

On behalf of the parties, de facto and potential, Mr. Waque advised the Board that the
matters to be addressed at this pre-hearing conference (PHC) should be in a sequence with
exactitude. Firstly, the Board should determine the party and participant matters.
Thenceforth, the Board would be asked to grant an order of partial approval of the ROPA-
2010. What follows would be the procedural order of the upcoming hearing. The importance
of the sequencing is self-evident: those endowed with the party status would have a say on
the proposed orders of partial approvals and procedure for the hearing, both of which are the
main agenda at this PHC.

A clarification and an amendment to the last PHC decision was requested and granted by
this panel. Under the heading of Haulover, a reference was made to paragraphs 14 and 17,
it should have read 15 & 17. The Board hereby orders the amendment accordingly.

On behalf of Haulover Investments Ltd., Mr. Streisfield indicated that he wished to cross-
examine Mr. Butler before any partial order is to be granted. Such a move was opposed by
the Region. It was the contention of Mr. Waque that since the right of party status had been
denied, the right to cross-examine should not be allowed.

The Board accepted the contention as a valid proposition procedurally and substantially. It
would be jejune to deny the party status in one breath and allow that same entity to embark
on cross-examination the next. One could not follow the other. As for the contention that the
Region’s counsel had withdrawn the evidence of Mr. Butler at the last PHC, it is plain that the
withdrawal had been done only in relation to Haulover and not for the other provisions of the
affidavit. As such, the affidavit of Mr. Butler stands. Additionally, the Region did not object to
Haulover being endowed with participant status for the proposed modification for the
transitional provisions. A participant status in that vein is hereby granted.

The following entities of the Geogina and Aurora Group are granted party status for the
purpose of the Transitional Provisions arising from the Proposed Modification, all of which
are set out in Exhibit 68:

- 445158 Ontario Inc. (Meldan), Mr. Tracy Ellis and Ms. Kelly Ellis
- Karma Teckchen, Zabsal Ling
- 3 -

- 878211 Ontario Limited
- Mr. Borden Kent
- Wholesale Forest products Ltd.
  (All these entities are represented by Mr. J. Kehar)
- Ms. Sheryl Kotzer, Mr. Howeie Kotzer, Mr. Micheal Kotzer, Mr. Gary Foch
  (All these entities are represented by Ms. D. Santo)

The following entities are granted party status for ROPA 1:
- South Sharon Developments Inc.
  (represented by Mr. J. Park)
- Acorn Development Corporation
- Ladyfield Construction Ltd.
- Farm Cove Holding Inc.
- Fetler Holdings Limited
  (represented by Ms. R. Houser)

A settlement had been reached between Metrus Development Inc. and the North Gwillimbury Forest Alliance. The latter group is a ratepayer organization interested in the conservation matters with respect to wetlands in the Town of Georgina. Based on an agreed set of amendments of the proposed modifications to ROP -2010, Metrus would withdraw its appeal to ROP-2010. The Board would allow the amendment that is agreed to; and that both Metrus and the ratepayer organization are hereby given participant status with respect to the Transitional matters. This should not be held prejudicially against Metrus to seek party status at a later stage. Mr. Waque pointed out that although the special transitional rules as applicable to Metrus would not apply, the general would be applicable.

On behalf of Martin Pick and Thomas Pick with respect to the ROPA 1 matter, Mr. M. Flowers indicated that they would not be raising objection vis-à-vis the Region’s proposed boundary.
The Board has examined the partial approval orders set out in Exhibit 69 and the procedural order as set out in Exhibit 71. These two exhibits are the culmination of a great deal of co-operation, discussions and settlements amongst the parties. They are important milestones in these proceedings.

The Board finds the two are in order and has approved both Exhibits 68 & 71 on principle. Given the inherent complexity, there would be inevitable refinements that would be necessary. Once the Board is advised that the final formulation is attained, the requisite orders would be given on a standalone basis.

The Board has scheduled further prehearing conferences for Friday, September 7, 2012 and Friday, September 21, 2012 at 10:00 AM to be held at the Ontario Municipal Board's offices at 655 Bay Street, 16th Floor Hearing Room, in Toronto.
