

Change in vaccine pick-up hours at Georgina office

Update to York Region health care providers as of July 15, 2019

Effective August 1, 2019, York Region Public Health's Georgina office (24262 Woodbine Avenue, Keswick) vaccine pick-up times will change from Mondays and Wednesdays (12:30 p.m. – 4:30 p.m.) **to only Wednesdays (12:30 p.m. – 4:30 p.m.).**

In order to support this change, vaccine orders specified for pick-up at the Georgina office will now be prioritized, to ensure they will be available for pick-up on the upcoming Wednesday (even if the order is placed on Monday or Tuesday of that week). Urgent vaccine orders can be picked up at the vaccine depot at 520 Cane Parkway, Newmarket from Monday to Friday (8:30 a.m. – 4:30 p.m.). Please note on your vaccine order form whether the vaccine order is urgent, and our staff will be in touch with you as soon as the order is ready for pick-up at 520 Cane Parkway, Newmarket.

You can access the vaccine order form online at york.ca/vaccineinventory. To order vaccine, please email your order form to vaccineinventory@york.ca or fax it to 905-830-0578.

If you have any questions, please contact York Region Public Health's Vaccine Inventory team by calling 1-877-464-9675 ext. 74033 or emailing vaccineinventory@york.ca. Messages will be responded to during business hours, Monday to Friday 8:30 a.m. to 4:30 p.m.
